Sir:

The Examiner is respectfully requested to consider references which may qualify as prior art. For the Examiner's convenience, the references are listed on the attached Patent and Trademark Office Form PTO 1449. Pursuant to the Waiver published in the Official Gazette on August 5, 2003 and because this application was filed after June 30, 2003, copies of cited U.S. patents are not included, but will be provided upon request.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is

entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute. No representation is made that Applicants know of the best art.

It is believed that this submission does not require the payment of any fees. If this is incorrect, however, please deduct the appropriate fee from deposit account 07-1969.

Respectfully submitted,

A handwritten signature in black ink, appearing to be 'DMF' or similar, written in a cursive style.
